/// MARUNI COLLECTION 2016 JASPER MORRISON, NAOTO FUKASAWA ///

Dates: April 12th, 2016 (Tuesday) – April 17th, 2016 (Sunday)

Venue: Rho Fiera Main Venue, HALL 16, STAND F32

Press Reception: April 14th, 2016 (Thursday), 1:00 p.m. – 3:00 p.m.

It is the eighth year for participation at the Salone Internazionale del Mobile, and this year Maruni will be in the main Hall 16, along with top brands from countries around the world.

Since the release of the Hiroshima armchair, opportunities to see the Maruni Collection have increased in various places around the world, starting with airports and restaurants. New products are being added to the collection this year. A stackable chair and bar stool that have inherited the beautiful look of the Hiroshima armchair designed by Naoto Fukasawa. Jasper Morrison's chair and stool with a friendly impression that combines solid wood and colored steel.

This combination of different materials newly increases our family, adding depth to the Maruni Collection.
