

Fugu / COFFEE TABLE

The Fugu coffee table combines a round leg with a round tabletop. The round contours underneath the table give the table a soft silhouette. Fugu has sense of familiarity to its design, and blends in well as if it had always been part of the room. It can be set in a variety of different spaces including homes and offices.

WARRANTY

We will guarantee the product for two years from the date of delivery of the product. For the content of quality assurance please see the "Warranty Policy" included in the product.

TECHNICAL INFORMATION

WOOD

The wood used in this product is obtained from ash or oak trees in North America that are managed and felled in a planned manner. If required, we can manufacture furniture with the FSC® or PEFC™ certification. In that case, however, a longer lead-time will be required to procure the wood.

TABLETOP

The tabletop is 30 mm thick and made from solid wood.

METAL

The bottom side of the table top is equipped with fittings that prevent warping. Steel powder-coated to a matt black colour.

VOC

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products. These materials have been tested for formaldehyde emissions in accordance with the ISO12460 standard and confirmed not to exceed the 0.4 mg/l emission level.

PURPOSE OF USE

Indoor
Maruni Wood Industry has established various test standards and designs for comfortable use. However, the use of products beyond the expected scope can lead to cracking and snapping of wood parts. There are several things you should keep in mind in order to properly preserve the product and continue using it for a long time. Therefore, be sure to read the instruction manual beforehand.
