

# T&O / TASK CHAIR

## DESIGN

## JASPER MORRISON, 2025-

The T&O desk's compact, lightweight size fits both offices and homes. Its familiar typology and the contrast of wood and steel legs complement T&O chairs and various pieces from the MARUNI COLLECTION.

## WARRANTY

We will guarantee the product for two years from the date of delivery of the product. For the content of quality assurance please see the "Warranty Policy" included in the product.

## TEST

BIFMA x 5.1-2017

## TECHNICAL INFORMATION

## WOOD

The wood used in this product is obtained from maple, ash or oak trees in North America that are managed and felled in a planned manner. We can also manufacture furniture using certified wood upon request; however, please note that it may take several months to procure the necessary materials. For more details about certified wood, please refer to the [dedicated webpage](#).

## METAL

Stem: steel

Seat mounting plate: steel

base: aluminum

## CASTER

The leg tips are equipped with nylon casters.

## VOC

The coating and glue used here reduce VOC emissions in manufacturing processes and finished products. These materials have been tested for formaldehyde emissions in accordance with the ISO12460 standard and confirmed not to exceed the 0.4 mg/l emission level.

## PURPOSE OF USE

IndoorMaruniWood Industry has established various test standards and designs for comfortable use. However, the use of products beyond the expected scope can lead to cracking and snapping of wood parts. There are several things you should keep in mind in order to properly preserve the product and continue using it for a long time. Therefore, be sure to read the instruction manual beforehand.
